## ***RVBFY CLUB SOFTBALL 2010***

River Valley Baseball for Youth is again proud to host a Club Softball league for the 2010 season and continue with another successful year for the Middle School Girls. We welcome 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade girls to participate. We are taking the first 18 teams to play in the Club League for the 2010 season. Any participating school is welcome to put one or more teams in the league but must consist of girls from the same participating school.

The season will begin March 30, 2010, and continue for five weeks ending May 1, 2010. Games will be played on Tuesdays, Thursdays, and double headers on Saturdays to complete a 16 game schedule. Game time on Tuesday and Thursday is 5:30 pm and Saturdays at 9:30 am and 11:00 am.

The Team fee will be \$175.00 and is due by March 5, 2010. Team fees include game balls as well as field prep and lining of the fields, and the scheduling the umpires. Both teams will evenly split the umpire fee at each game (\$20.00 per team = \$40 per game to umpire). Each team is responsible for their uniforms. However, a number on the back of each matching shirt is required.

New this year will be the introduction of two divisions: Varsity and JV. The purpose is to split out the more experienced teams for a more even division of skill level and competition. Please be sure to indicate which division your team should play in. Final determination will be made by RVBFY.

We welcome the first 18 teams to the league, so don't hesitate and get signed up today. You may register your team now without a complete roster. Please sign up by listing your Team Name and contact information or fill out the top of the Registration Form and e-mail it in or mail it in with the league fee. The league will be posted on the OFC at [www.game-ex.com](http://www.game-ex.com). You may post there also.

The registration deadline is March 5, 2010. There is also a coaches meeting that day at 7:30 pm at the River Valley Middle School commons area. Team insurance should be covered by the school, since all teams practice at their participating school.
